#### VITICULTURE:

Located in the Northeast of Portugal around the basin of the Douro River, the Douro Demarcated Region has a total area of 250.000 hectares, and is divided in 3 sub-regions naturally different.

Quinta do Portal vineyards are in the Upper Corgo sub-region on the Pinhão valley. Our 5 estates Quinta do Portal, Quinta do Confradeiro, Quinta dos Muros, Quinta da Abelheira and Quinta das Manueles, total a vineyard area of 100 hectares, that given the different altitudes, solar expositions, soils and grape varieties generate the excellency of the grapes we use in our different wines.

#### NOTAS DO ENÓLOGO:

The 1995 is the first Vintage bottled by Quinta do Portal. Being a Vintage already with some years in bottle it needs to be decanted, not only for oxigenation but also to separate the sediments. The bottle should be left up a few hours before decanting. The wine evolution is extraordinary with wonderful aromas coming through the nose: dry plum and spices, earthy and fresh. In the mouth is silky and serious. The wine starts elegant and then bold but always silky. The final is long and will give you a lot of pleasure.
